

Novaline Dental

USE IT don't LOSE IT

December 31st is fast approaching; health insurance and employee benefits not used may expire! Did you postpone dental care for self or family member simply because of costs? At Novaline Dental, we are committed to helping patients maintain good oral health, as part of the offense against COVID-19 infection. Regular examination and cleaning are part of that effort – they permit early detection of dental diseases, avoiding the need for costly interventions in the future. Your Flexible Spending Account (FSA) and Health Savings Account (HSA) are a great way to pay for these services and lots more. It's an investment that yields a healthy return.

Don't leave money on the table... act now to maximize your 2020 benefits!!
